

Back-to-school...We're calling all students in grades  
6-12!

Sharpen your skills with *Strategies for Success*

Come join [Turn the Page](#) , and strengthen your study skills through five interactive lessons:

- goal setting and overview of topics for the week
- discovering your learning style
- time management, prioritization of tasks, and importance of repeated practice
- note-taking and notebook organization
- test prep and conquering test anxiety

---
